Welcome to Hickory Ridge Campground!

We have a few rules to help us keep our campground enjoyable for all.

- **Check In/Check Out:** Check in after 1:00 PM. Please check out before noon.

- **Quiet Time:** 10:00 PM – 8:00 AM. Please respect your fellow campers! Excessive use of alcohol will not be tolerated. Underage drinking or drug use will be reported.

Hickory Ridge reserves the right to remove any guest from campsite without refund.

- **Speed Limit:** We love the children in our campground. The park speed limit is 5 MPH, please!

- **Parking:** Please do NOT use the empty sites. We only allow two vehicles per site. If you need extra parking, please check in at the office. Additional trailers, boats, etc. need prior approval and may incur an additional fee.

- **Visitors:** Guests are welcome but must register at the office before entering the campground. They must pay the additional guest fee if staying past 10:00 PM. Guests of campers must pay a usage fee to swim or fish.

- **Pets:** Pets must be kept on a leash. No animals with an aggressive disposition are allowed. Please clean up after your dog. Pets may not be left unattended at the campsite. We have a dog park, and guests are encouraged to let their babies use the dog park, but remember that cleanup is mandatory.

- **Swimming:** No lifeguard on duty. No glass or food in pool area. Diving is not permitted. Must be 14 to swim without an adult.

- **Children:** Please keep your children safe. Accompany them to the playground, restrooms, and pool.

- **Fishing:** Fishing is catch and release, and no license is required.

- **Garbage:** The dumpster is located by the entrance of the park.

- **Firewood:** Firewood is available for sale at the office. Per the state of Missouri, do not bring in firewood from other places as it may spread unwanted pests.

- **Restrooms & Showers:** We have a bath house located on the east side of the campground and bathrooms with showers by the pool.

- **Golf Carts & UTVs:** Golf Carts & UTVs are permitted, but ATVs are not allowed. Insurance must be provided to the campground management. Carts must be driven by a licensed driver.

- **General Liability:** Everyone using the campground must agree to abide by and be subject to all rules and regulatory laws. Our property is privately owned. Guests agree to relieve Hickory Ridge Campground, LLC and its owners and employees of any responsibility for "Acts of God". Guests agree to carry their own liability/comprehensive insurance during this term of agreement.

*Our rules are intended solely for the maintenance & safety of our campground. We hope you enjoy your stay.
